Alma's & Jimmy's Rooms

Our two glamorous private rooms were originally the Hippodrome Theatre manager's offices when it opened in 1900 and overlook Charing Cross Road.

They provide an intimate atmosphere for business meetings, presentations, and private dinners. Set-ups can vary from boardroom to theatre style. Both are perfect for groups looking for a unique and central venue.

Jimmy's Room accommodates up to 12 guests.

Alma's Room accommodates up to 18 guests.

Lola's Conference Space

When the Hippodrome opened as a theatre in 1900, part of the entertainment included a 100,000-gallon pool for amazing water spectacles.

Lola's is a conference and events space located within the walls of this former water pool and located on the lower ground, fitted with full sound, AV facilities and a 10 metre HD screen.

Accommodates up to 200 guests.

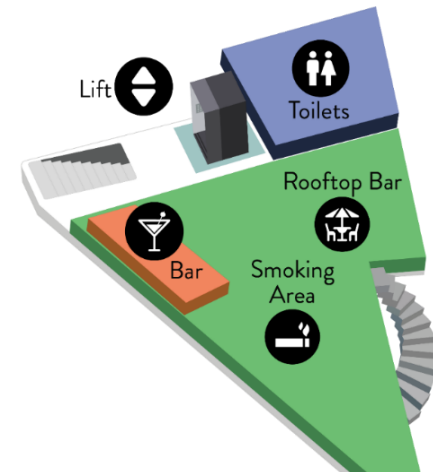

The Rooftop Bar

The Rooftop is the largest outdoor terrace in central London and offers a full range of drinks, cocktails, and a diverse food menu. We're flexible on numbers and can section off areas to suit the size of your event.

Full hire (exclusive) – 120 guests

Large Section (semi-exclusive) – 80 guests

Small Section (semi-exclusive) – 40 guests

Private Dining & Special Functions

We have several catering options, all from the award-winning kitchens of executive Chef Ioannis Grammenos and London's number one steak restaurant Heliot Steak House.

These include breakfast options, lunches for meetings, canapés for cocktail parties or more casual events, and 2/3 course meals for special occasions in our Private Dining Rooms.
